Fisher House is a home away from home where our military families can stay while a loved one is receiving in house treatment at one of our medical centers. Any veteran or active military personnel, wartime or peacetime, is eligible to stay at the Fisher House. These homes are built on the grounds of major military and VA medical centers. The homes enable family members to be close to loved ones at the most stressful times. There is at least one Fisher House at every major military medical center to assist families in need and to ensure that they are provided with the comforts of home in a supportive environment. There is ***NO Charge*** for any military family to stay at a Fisher House.

Fisher House Boston was the 46th Fisher House to be built in the United States. They recognize not only the special sacrifices made by our men and women who serve in uniform, but also their loved ones. The Millis Lions and Leos are proud to support Fisher House Boston and hope to display 1,000 flags in front of Town Hall to honor all Veterans. Please help support these men and women who have sacrificed so much by sponsoring a flag(s) in honor of, or in memory of, a Veteran.

Fisher House is a Four Star Charity, with an A+ rating.
